

Instead of :	Plant	Genus/Botanical name	Zone	Light	Type	Misc, Info
Astilbe	Cockscomb	<i>Celosia</i>	8-11	sun	plant	Annual but re-seeds
Astilbe	Blazing Star	<i>Liatis</i>	8-10b	sun	corms	
Astilbe	Angelonia	<i>Angelonia angustifolia</i>	9-11	sun	plant	
Bearded Iris	African Iris-Fortnight	<i>Dietes iridioides</i>	8-11	sun	Tuber	
Bearded Iris	Yellow walking iris	<i>Neomarica longifolia</i>	10-11	sun/shade	Tuber	
Bearded Iris	Blue walking iris	<i>Neomarica northiana</i>	10-11	sun/shade	Tuber	
Bearded Iris	Louisiana Iris	<i>iris hexagona</i>	6-10	sun	Tuber	
Bearded Iris	Siberian Iris	<i>Iris sibirica</i>	3-9	sun/part shade	Tuber	
Bearded Iris	Blackberry lily	<i>Belamcanda chinensis</i> or <i>Iris domestica</i>	5-10	sun/part shade	Tuber	
Bearded Iris	African Yellow Iris	<i>Dietes bicolor</i>	8-11	sun/part shade	Tuber	
bulbs	Lily-of-the-Nile	<i>Agapanthus africanus</i>	9-10	Sun	rhizome	Blue or white
bulbs	Amaryllis	<i>Amaryllis</i>	9-11	Sun/part Sun	bulb	many colors
bulbs	Rain lilies	<i>Zephyranthes spp</i>	7-10	Sun/part shade	bulb	
bulbs	Society Garlic	<i>tulbaghia violacea</i>	7-10	sun/part shade	bulb	
bulbs	Ornamental Onion Allium	<i>Allium</i>	4-10	sun	bulb	
bulbs	Bulbine	<i>Bulbine frutescens</i>	9-11	Sun/part shade	bulb	
bulbs	Spider Lilies	<i>Hymenocallis spp</i>	8-10	sun/part shade	bulb	
Bulbs dug in fall	Calla Lilies	<i>Zantedeschia spp</i>	8-11	sun	rhizome	Tender perennial
Bulbs dug in fall	Cannas	<i>Canna x generalis</i>	8-11	Sun	rhizome	Can freeze-grows back
Bulbs dug in fall	Crocasmia	<i>Crocasmia</i>	6-10	Sun/part Sun	corms	
Bulbs dug in fall	Dahlias	<i>Dahlias</i>	8-10	Sun	Corm	
Bulbs dug in fall	Elephant Ear	<i>Colocasia</i>	8-12	Sun/part Shade	Tuber	
Clematis	"Jackmanii" Clematis	<i>Clematis</i>	4-8	part sun	Vine	likes "head in sun/feet in shade"
Clematis	Maypop Passion Vine	<i>Passiflora</i>	7-10	sun/part shade	Vine	attracts Gulf Fritillary/Zebra Longwings
Clematis	Black-eyed Susan vine	<i>Thunbergia alata</i>	9-11	sun/part shade	Vine	may need frost/freezeprotection
Clematis	Mandevilla	<i>Mandevilla</i>	9-11	sun	Vine	
Clematis	Yellow Allamanda	<i>Allamanda cathartica</i>	9-11	part shade	Vine	bush/vine form/protect from cold
Clematis	Coral Honeysuckle	<i>Lonicera sempervirens</i>	4-10	sun/part shade	Vine	NOT JAPANESE HONEYSUCKLE
Clematis	Confederate Jasmine	<i>trachelospermum jasminoides</i>	4-10	sun/part shade	Vine	
Clematis	Bougainvillea	<i>Bougainvillea</i>	9-11	sun	Vine	
Rhododendron	Azalea	<i>Rhododendron</i>	8-10	shade/part sun	bush	
Forsythia	Thryallis	<i>Galphimia gracilis</i>	9-11	sun/part shade	Bush	Yellow flowers
Forsythia	Christmas Senna	<i>Senna/Cassia bicapsularis</i>	9-11	sun	Tree/Bush	Yellow flowers-fall blooming

Fruit Trees	Kumquats		8-11	sun	Fruit Trees	
Fruit Trees	Loquats		8-11	sun	Fruit Trees	
Fruit Trees	Papayas		9b-11a	sun	Fruit Trees	can die back if it goes below 32
Fruit Trees	Key limes		8-11	sun	Fruit Trees	
Fruit Trees	Meyers lemons		8-11	sun	Fruit Trees	
Fruit Trees	Guava trees & bushes		9-11	sun	Fruit Trees	
Hosta	SunHosta	TM 87153929	4-10	sun/partial sun	plant	can go dormant in winter
Hosta	Caladium	<i>Caladium x hortulanum</i>	8-11	sun/part shade	corms	can go dormant in winter
Hosta	Peacock Ginger	<i>Kaempferia spp</i>	8-11	shade/part shade	rhizome	can go dormant in winter
Hosta	Stromanthe Trio	<i>Stromanthe sanguinea</i>	9-12	Dappled sun/shade	plant	Too much sun burns the leaves
Hosta	Bromeliad (terrestrial)		10-11	Dappled sun/shade	plant	Too much sun burns the leaves
Houseplants	Schefflera	<i>Schefflera arboricola 'Trinette'</i>	9b-12	Dappled sun/shade	plant	variegated leaf
Houseplants	Crown of Thorns	<i>Euphorbia milii</i>	9-11	sun/part sun	plant	
Houseplants	Orchids		9-11	bright, indirect light	plant	Protect if temps go below 50°
Houseplants	False Shamrock	<i>Oxalis triangularis</i>	8-11	some sun & Shade	plant	Can go dormant in summer
Lilac	Magnolias	<i>Magnolia grandiflora</i>	6-10	part sun/part shade	Tree	"Little Gem" is smaller version
Lilac	Tea Olive	<i>osmanthus fragrans</i>	8-11	sun/partial shade	Bush	tiny flowers but fragrant
Lilac	Chaste Tree	<i>Vitex agnus-castus</i>	6-9	sun	tree	usually blue flowers-can be messy
Lilac	Crape Myrtle	<i>lagerstroemia indica</i>	8-10b	sun	Tree	Deciduous
Lilac	Eastern Redbud	<i>cercis canadensis</i>	4-9a	sun/partial shade	Tree	Deciduous
Lilac	Bottlebrush	<i>callistemon</i>	8-11	sun	Tree	tree, bush & dwarf form
Lilac	Flowering Dogwood	<i>cornus florida</i>	5-9a	sun/partial sun	Tree	Deciduous
Lilac	Fringetree	<i>Chionanthus virginicus</i>	3-9	sun/partial shade	Tree	Deciduous
Lilac	Butterfly Bush	<i>buddleia</i>	8-9	sun/partial shade	Bush	
Lilac	Azalea	<i>Azalea</i>	8-10	filtered sun	Bush	large variety to pick from
Lily of the Valley	Lilyturf	<i>Liriope</i>	4-10	Sun/Shade	Plant	purple flowers
Lily of the Valley	Mondo Grass	<i>Ophiopogon japonicas</i>	6-10	Sun/Shade	Plant	Variegated Foliage-White flowers
North Annuals	Pentas	<i>Pentas lanceolata</i>	8b-11	sun/part shade	Tender Perennials	
North Annuals	Impatiens	<i>Impatiens</i>	10-11	part Sun-Shade	Tender Perennials	
North Annuals	Blue Daze	<i>Evolvulus glomeratus</i>	9-11a	Sun/part Shade	Tender Perennials	
North Annuals	Vinca/Periwinkle	<i>Catharanthus roseus</i>	9-11	Sun/part Shade	Tender Perennials	
North Annuals	Wax Begonias	<i>Begonia Semperflorens-Cultorum</i>	10-11	Dappled sun/shade	Tender Perennials	
Ox-Eye Daisy	Shasta Daisy-white	<i>Leucanthemum x superbum</i>	5-9	sun/part shade	rhizome	Short lived perennial

Ox-Eye Daisy	Bush Daisy-yellow	<i>Gamolepis chrysanthemoides</i>	5-11	sun	plant	bush-like
Ox-Eye Daisy	African Daisy	<i>osteospermum</i>	9-11	sun	plant	multi-colored
Ox-Eye Daisy	Gazania	<i>Gazania rigens</i>	5-11	sun	plant	multi-colored
Peony	Camellia	<i>Camellia Japonica</i>	7-9	part shade/shade	Bush	
Peony	Gardinia	<i>Gardinia jasminoides</i>	8-11	part shade/shade	Bush	
Plants from north	Blanket Flower	<i>Gaillardia</i>	3-10	sun	plant	
Plants from north	Black-eyed Susans	<i>Rubideckia</i>	3-9	sun	plant	
Plants from north	Coreopsis	<i>Coreopsis</i>	3-9	sun	plant	
Plants from north	Purple Cone Flower	<i>Echinaecea</i>	3-10	sun/part shade	plant	
Plants from north	Stokes Aster	<i>stokesia</i>	8-9	sun	plant	
Plants from north	Daylilies	<i>hemerocallis</i>	5-10	sun/dappled shade	plant	
Roses	Drift® Roses		5-9	sun-at least 6 hrs		low, spreading
Roses	Knockout® Roses		5-9	sun-at least 6 hrs		3-5 feet tall/wide
Roses	Tea Roses		8a-10	sun-at least 6 hrs		2-7 feet
Roses	Antique and Old Fashion Roses		5-9	sun-at least 6 hrs		any type introduced before 1867
